School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Raymond-Knowles Elementary School is the home of the Broncos. Our innovative and dedicated staff work together with parents and the community to fulfill our mission for all students.

The mission of the Raymond-Knowles Union Elementary School District is to educate all students in a challenging, disciplined, safe, and supportive environment, so they can reach their full potential of becoming productive citizens of high moral character, making life-long contributions to society.

Students at RKS are taught 21st-century skills that include the learning areas of core academic subjects using 21st-century themes of life and career skills, critical thinking, communication, collaboration, creativity, technology, and information/media literacy.

We are 1:1, student to device school. Every student in grades Kindergarten through eighth grades has a Chromebook or iPad assigned to them. Kindergarten and first grades use iPad minis and second through eighth grades use Chromebooks. We are also a Google Apps for Education (GAFE) school.

Raymond-Knowles Elementary takes pride in our student's work and accomplishments. We host nine student showcase events throughout the school year. We invite the community to the school to see our student's work on display at these evening events. These Student Showcase events have fostered a positive relationship between the school and the community.

We have exciting programs in place for the upcoming school year to help us work towards our school's mission.

School Facility Conditions and Planned Improvements

The LEA makes efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility inspection tool developed by the State of California OPSC. The results of this tool are available at the district office.

The district maintenance staff ensures that the repairs necessary to keep the school in good repair and in working order are completed in a timely manner. All school facilities are cleaned on a daily basis by janitorial staff.

The district sets aside approximately \$25,000 for maintenance and/or repairs.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

All parents are invited to parent/teacher conferences at the end of the first two trimesters. At these conferences, students' academic and social-emotional progress is discussed. In addition, we host academic student showcase events nine times a year for parents and the community is invited to. We also have parent representation on our School Site Council.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	9.5	5.7	9.5	5.7	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			2.5
Expulsions			0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The school safety plan was reviewed and updated on March 12, 2020. The safety plan is a working document that is discussed in School Site Council meetings, staff meetings. There are questions related to school and student safety on annual LCAP surveys. Changes are made to the plan as needed.
